

SOLID GEAR VENTURE

ART. SG76007

Venture from SOLID GEAR is a durable and athletic lightweight safety shoe. By using the revolutionary technology ETPU, the midsole gives you endless cushioning and comfort. The more energy you give, the more you get back. Now we're also introducing this technology in a black version. TPU reinforcement covering the full grain leather upper together with BOA® Fit System for a supreme fit and great protection. SOLID GEAR continues to provide users with the NANO toe cap, which is 40 % stronger than fiberglass as well as lighter and thinner than other non-metallic toe caps. With PU foam Sock Technology the comfort in this shoe is best in class. Slip resistance class SRC ensures great friction on several surfaces.

- Upper: Full leather with TPU reinforcements
